## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT’S RIGHT TO CANCEL**

**I. STUDENT'S RIGHT TO CANCEL:** You have the right to cancel this Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance at the first-class session, or the seventh day after enrollment, whichever is later. §94920(b) Class Day means, except for home study or correspondence, a day on which students were scheduled to attend a class session. Cancellation occurs when you give written notice of cancellation at School address shown on the front page of this Agreement. You can do this by mail, email, FAX, or telegram. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any form; it needs only to state you wish to cancel the Agreement. You will be given a notice of cancellation form on the first day of class, but you can use any written notice that you wish. If you cancel this Agreement, School will refund any money that you paid, less an application/registration fee not to exceed \$250, within 45 days after your notice is received. If the Student is rejected for training or if a course is canceled, the student will receive a refund of all monies paid.

STUDENT'S RIGHT TO CANCEL:** You have the right to cancel this Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance at the first-class session, or the seventh day after enrollment, whichever is later. §94920(b) Class Day means, except for home study or correspondence, a day on which students were scheduled to attend a class session. Cancellation occurs when you give written notice of cancellation at School address shown on the front page of this Agreement. You can do this by mail, email, FAX, or telegram. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any form; it needs only to state you wish to cancel the Agreement. You will be given a notice of cancellation form on the first day of class, but you can use any written notice that you wish. If you cancel this Agreement, School will refund any money that you paid, less an application/registration fee not to exceed \$250, within 45 days after your notice is received. If the Student is rejected for training or if a course is canceled, the student will receive a refund of all monies paid.

## **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

### **STUDENT’S RIGHT TO CANCEL**

**I. STUDENT'S RIGHT TO CANCEL:** You have the right to cancel this Agreement for educational service, any equipment or other goods and services if notice of cancellation is made through attendance at the first-class session, or the seventh day after enrollment, whichever is later. §94920(b) Class Day means, except for home study or correspondence, a day on which students were scheduled to attend a class session. Cancellation occurs when you give written notice of cancellation at School address shown on the front page of this Agreement. You can do this by mail, email, FAX, or telegram. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any form; it needs only to state you wish to cancel the Agreement. You will be given a notice of cancellation form on the first day of class, but you can use any written notice that you wish. If you cancel this Agreement, School will refund any money that you paid, less an application/registration fee not to exceed \$250, within 45 days after your notice is received. If the Student is rejected for training or if a course is canceled, the student will receive a refund of all monies paid.
